We try and teach our children to play fair.

That’s why Maggie Brooks’ rush to grab school resources - with a plan she calls “Fair” -- really hurt

It’s not fair to divert public funds that were promised to our children.

It’s not fair to leave our schools in the lurch.

It’s not fair to play a shell game with taxpayers’ pennies.

And it sends the wrong message to our kids.

That’s not playing fair.
